- In box

Instructions

This thermometer, totally waterproof, will enable you to survey the cooking temperature of meat.

STARTING UP

Press "⏻" to switch thermometer ON/OFF.

SELECTION OF THE MEASUREMENT UNIT

To select temperature unit, press [°C/°F] at the back.

DATA HOLD FUNCTION

Press [HOLD] button to retain the display reading and °C or °F symbol will flash.

Press [HOLD] button again to return to normal display.

RESET FUNCTION

Press the [RESET] button at the back, to reset the thermometer.

*Do not use excessive force when inserting the probe.
Do not use in oven or in a microwave oven.
If the display becomes dim, change the battery.*
